SCHEDULE

Execution of the Project Implementing Entity’s Respective Part of the Project

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Project Implementing Entity shall establish and maintain throughout the implementation of the Project, a PIU with key staff including a project coordinator, procurement specialist, financial management specialist and other needed technical specialists with functions and responsibilities acceptable to the Bank.

2. The PIU shall be responsible for the day to day implementation of the Project Implementing Entity’s Respective Part of the Project, including preparation and submission of its budget to the PMU for processing.

B. Additional Agreements

1. Subsidiary Loan Agreement

(a) To facilitate the carrying out of the Project Implementing Entity’s Respective Part of the Project, the Project Implementing Entity shall borrow from the Borrower the proceeds of the Loan allocated to Part 1 of the Project under a subsidiary agreement ("Subsidiary Loan Agreement") between the Borrower and the Project Implementing Entity, under terms and conditions approved by the Bank, including the following:

(i) the proceeds of the Subsidiary Loan Agreement shall be denominated and repayable in LEK;

(ii) the Borrower shall charge interest on the principal amount withdrawn and outstanding from time to time at the rate of three quarters of one percent (0.75%) per annum; and

(iii) the Subsidiary Loan shall be repayable over a period not exceeding twenty-two and a half (22.5) years from the date of the Subsidiary Loan Agreement, inclusive of a grace period not exceeding seven (7) years.

(b) The Project Implementing Entity shall exercise its rights under the Subsidiary Loan Agreement in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan. Except as the Bank shall otherwise agree in writing, the Project
Implementing Entity shall not assign, amend, abrogate or waive any Subsidiary Loan Agreement or any of its provisions.

2. **Power Service Contracts**

   (a) The Project Implementing Entity shall, not later than October 30, 2014, enter into the following Power Service Contracts satisfactory to the Bank: (i) with OShEE to set out the obligation of OShEE to purchase power generated by the Project Implementing Entity; and (ii) with OST to set out the obligation of OST to transmit power generated by the Project Implementing Entity.

   (b) The Project Implementing Entity shall ensure that the Power Service Contracts to which it is a signatory include information on: (i) daily scheduling, deviations and accounting; (ii) monthly energy balance; (iii) monthly energy and financial settlement based on methodology monitored and established by the market operator and OST; and (iv) the monthly payments and guarantees through commercial banks.

   (c) The Project Implementing Entity shall not assign, amend, abrogate or waive any of the provisions of its Power Service Contracts without the Borrower’s and the Bank’s prior approval in writing.

C. **Anti-Corruption**

The Project Implementing Entity shall ensure that its Respective Part of the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

**Section II. Project Monitoring, Reporting and Evaluation**

A. **Project Reports**

1. The Project Implementing Entity shall monitor and evaluate the progress of its Respective Part of the Project and prepare Project Reports for its Respective Part of the Project in accordance with the provisions of Section 5.08(b) of the General Conditions and on the basis of indicators acceptable to the Bank. Each such Project Report shall cover the period of one calendar semester, and shall be furnished to the Borrower not later than two weeks after the end of the period covered by such report for incorporation and forwarding by the Borrower to the Bank of the overall Project Report.

2. The Project Implementing Entity shall provide to the Borrower not later than four (4) months after the Closing Date, for incorporation in the report referred to in Section 5.08(c) of the General Conditions, all such information as the Borrower or the Bank shall reasonably request for the purposes of that Section.
B. Financial Management, Financial Reports and Audits

1. The Project Implementing Entity shall maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Bank, both in a manner adequate to reflect the operations and financial condition of the Project Implementing Entity, including the operations, resources and expenditures related to its Respective Part of the Project.

2. The Project Implementing Entity shall have its financial statements referred to above audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank. Each audit of these financial statements shall cover the period of one fiscal year of the Project Implementing Entity. The Project Implementing Entity shall ensure that the audited financial statements for each period shall be: (a) furnished to the Borrower and the Bank not later than six (6) month after the end of the period; and (b) made publicly available in a timely fashion and in a manner acceptable to the Bank.

Section III. Procurement

All goods and services required for the Project Implementing Entity’s Respective Part of the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the provisions of Section III of Schedule 2 to the Loan Agreement.

Section IV. Other Undertakings

A. Debt Equity Ratio

1. Except as the Bank and the Borrower shall otherwise agree, the Project Implementing Entity shall not incur any debt if, after the incurrence of such debt, its ratio of debt to equity shall be greater than 60 to 40.

2. For purposes of this Section:

(a) The term “debt” means any indebtedness of the Project Implementing Entity maturing by its terms more than one year after the date on which it is originally incurred.

(b) Debt shall be deemed to be incurred: (i) under a loan contract or agreement or other instrument providing for such debt or for the modification of its terms of payment on the date of such contract, agreement or instrument; and (ii) under a guarantee agreement, on the date the agreement providing for such guarantee has been entered into.
(c) The term “equity” means the sum of the total unimpaired paid-up capital, retained earnings and reserves of the Project Implementing Entity not allocated to cover specific liabilities.

(d) Whenever for the purposes of this Section it shall be necessary to value, in terms of the currency of the Borrower, debt payable in another currency, such valuation shall be made on the basis of the prevailing lawful rate of exchange at which such other currency is, at the time of such valuation, obtainable for the purposes of servicing such debt, or, in the absence of such rate, on the basis of a rate of exchange acceptable to the Bank.

B. Debt Service Coverage

1. Except as the Bank and the Borrower shall otherwise agree, the Project Implementing Entity shall not incur any debt unless a reasonable forecast of the revenues and expenditures of the Project Implementing Entity shows that the estimated net revenues of the Project Implementing Entity for each fiscal year during the term of the debt to be incurred shall be at least one (1.0) for the first thirty six (36) months and thereafter one and six tenths (1.6) times the estimated debt service requirements of the Project Implementing Entity.

2. For the purposes of this Section:

(a) The term “debt” means any indebtedness of the Project Implementing Entity maturing by its terms more than one year after the date on which it is originally incurred.

(b) Debt shall be deemed to be incurred: (i) under a loan contract or agreement or other instrument providing for such debt or for the modification of its terms of payment on the date of such contract, agreement or instrument; and (ii) under a guarantee agreement, on the date the agreement providing for such guarantee has been entered into.

(c) The term “net revenues” means the difference between:

(i) the sum of revenues from all sources related to operations and net non-operating income; and

(ii) the sum of all expenses related to operations including administration, adequate maintenance, taxes and payments in lieu of taxes, but excluding provision for depreciation, other non-cash operating charges and interest and other charges on debt.

(d) The term “net non-operating income” means the difference between:
(i) revenues from all sources other than those related to operations; and

(ii) expenses, including taxes and payments in lieu of taxes, incurred in the generation of revenues in (i) above.

(e) The term “debt service requirements” means the aggregate amount of repayments (including sinking fund payments, if any) of, and interest and other charges on, debt.

(f) The term “reasonable forecast” means a forecast prepared by the Project Implementing Entity not earlier than twelve months prior to the incurrence of the debt in question, which both the Bank and the Borrower accept as reasonable and as to which the Bank has notified the Borrower of its acceptability, provided that no event has occurred since such notification which has, or may reasonably be expected in the future to have, a material adverse effect on the financial condition or future operating results of the Project Implementing Entity.

(g) Whenever for the purposes of this Section it shall be necessary to value, in terms of the currency of the Borrower, debt payable in another currency, such valuation shall be made on the basis of the prevailing lawful rate of exchange at which such other currency is, at the time of such valuation, obtainable for the purposes of servicing such debt, or, in the absence of such rate, on the basis of a rate of exchange acceptable to the Bank.

C. Business Plan

The Project Implementing Entity shall not later than December 31 of each calendar year prepare and submit to the Bank and the Borrower, a five year business plan including associated financial projections, in form and substance satisfactory to the Bank.
