Re: Single-Donor Trust Fund Grant No. TF014063  
European Neighborhood and Partnership Instrument East Countries  
Forest Law Enforcement and Governance II Program

Dear Ms. Marton-Lefèvre,

In response to the request for financial assistance made on behalf of the International Union for Conservation of Nature and Natural Resources (IUCN) ("Recipient"), I am pleased to inform you that the International Bank for Reconstruction and Development ("World Bank"), acting as administrator of grant funds provided by the European Community (the "EC" or "the Donor") under the European Neighborhood and Partnership Instrument East Countries Forest Law Enforcement and Governance II Program (Trust Fund No. TF071969) ("Trust Fund"), proposes to extend to the Recipient for the benefit of the Republic of Armenia, Republic of Azerbaijan, Republic of Belarus, Georgia, Republic of Moldova, Russian Federation, and Ukraine ("Participating Countries"), a grant in an amount not to exceed three million eight hundred fifty two thousand five hundred and sixty four United States Dollars (US.$3,852,564) ("Grant") on the terms and conditions set forth or referred to in this letter agreement ("Agreement"), which includes the attached Annex, to assist in the financing of the Project described in the Annex ("Project").

This Grant is funded out of the abovementioned trust fund for which the World Bank receives periodic contributions from the Donor. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the World Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the Donor under the abovementioned trust fund, and the Recipient’s right to withdraw the Grant proceeds is subject to the availability of such funds. It is understood and agreed that in case of funding shortfall due to the termination of the Administration Agreement with the Bank by the EC, the Recipient will be immediately notified.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Project in accordance with the terms and conditions set forth or referred to in this Agreement.

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to
the World Bank. Upon receipt by the World Bank of this countersigned copy, this Agreement shall become effective after fulfillment of the condition of effectiveness set forth in Article V.

Very truly yours,

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

(o) “Inception Period” means the period from the countersignature date of the Trust Fund Administration Agreement through July 31, 2013;

(p) “IUCN” means the International Union for Conservation of Nature and Natural Resources;
(q) "National Program Advisory Committees" (NPACs) means a national coordination body in each Participating Country consisting of representatives of key stakeholder groups. NPACs are chaired by the National FLEG Focal Point, usually a high level civil servant or deputy minister in national forest administration in each Participating Country;

(r) "Pilot Activities" means activities to be implemented at a sub-national and local level to test and demonstrate best practice for sustainable forest management and the feasibility of improved forest governance techniques;

(s) "Project" means the project described in this Grant Agreement, for which the Grant is made, as description of such project may be amended from time to time by agreement between the Recipient and the World Bank. This Project is part of the overall FLEG II Program of activities for which the Recipient and other Implementing Entities act in partnership to ensure coherent implementation;

(t) "Project Operations Manual" means the manual acceptable to the World Bank, to be prepared by the Recipient pursuant to paragraph 2.03(f) of this Agreement, as such manual may be updated from time to time but at least annually with the prior approval of the World Bank;

(u) "Procurement Guidelines" means the "Guidelines: Procurement of Goods, Works and Non-consulting Services under IBRD Loans and IDA Credits & Grants by World Bank Borrowers" dated January 2011;

(v) "Procurement Plan" means the procurement plan for the Project-related activities financed by this Grant Agreement, and referred to in paragraph 1.18 of the Procurement Guidelines and paragraph 1.25 of the Consultant Guidelines to be prepared by the Recipient, as the same shall be updated annually in a manner satisfactory to the World Bank;

(w) "Regional Work Plan" means a document acceptable to the World Bank and the EC, and approved by the Steering Committee, setting forth the activities to be carried out under Part 1 of the Project by the World Bank and each of the Grant recipients, in all seven Participating Countries, which may be updated periodically, as required, with prior approval of the World Bank and the Steering Committee;

(x) "SESAF" means the Strategic Environmental and Social Assessment Framework, prepared by the Recipient, which shall: (i) be applied to all forestry policy documents (policies, programs and plans) to be supported under the Project and identify the types of environmental and social issues that can be expected to be associated with the proposed policy documents; and (ii) provide guidance on how these aspects should be integrated into the analytical and decision-making processes, including the provisions for an effective stakeholder participation;

(y) "Steering Committee" means the committee consisting of the National FLEG Focal Points from each Participating Country, and one representative each from the EC, World Bank, and the Grant recipients respectively. The Steering Committee shall be the highest Program coordinating body;

Article II
Program Execution

2.01. Project Objectives and Description. The objective of the Project is to support the seven Participating Countries to strengthen forest governance through improving implementation of relevant international processes; enhancing their forest policy, legislation and institutional arrangements; and developing, testing and evaluating sustainable forest management models at the local level on a pilot basis for future replication. The Project consists of the following parts:

Part 1: Regional level Activities

(i) strengthening the policy dialogue between all seven Participating Countries and institutions regarding the 2005 St. Petersburg Declaration (“the Declaration”) by organizing thematic meetings on FLEG issues of shared interest;

(ii) monitoring the implementation of the 2005 St. Petersburg Declaration in all seven Participating Countries through stakeholder reporting and preparation and regular up-dating of tracking tables on implementation of the Declaration; identifying areas of the St. Petersburg declaration where implementation needs more focus and support;

(iii) conducting regional studies and developing publications relevant to the framework of the 2005 St. Petersburg Declaration;

(iv) contributing to the implementation of the Country Work Plans based on partner government requests and discussion with the respective NPACs;

(v) contributing to the development of a joint communications strategy that will be prepared in accordance with the EC’s Communication and Visibility Manual, and the World Bank’s Access to Information Policy; to develop and maintain the ENPI FLEG corporate branding and ensure that relevant participants and stakeholders are provided with consistent updated Program information;

(vi) contributing to communication activities to promote regional and national activities developed within the framework of the 2005 St. Petersburg Declaration;

(vii) contributing to and taking a role in maintaining a high-quality Internet site in English and Russian languages on forest sector governance and reform, and

(viii) contributing to the formulation and implementation of the Regional Work Plan.
Part 2: National and Sub-National level Activities

(a) National Level Activities

(i) utilizing experience gained from the implementation of activities from Phase I of FLEG, the Recipient will continue to advance support on the formulation and implementation of forest policy, legal, administrative and institutional reforms on the national levels;

(ii) promoting a good investment climate for private sector operators;

(iii) providing capacity building, training and advice on administrative and/or institutional reforms and on forest governance issues;

(iv) liaising and cooperating with forest sector experts from European Union member states;

(iv) formulating and implementing Country Work Plans that observe and comply with World Bank safeguards, and

(vi) developing Country Work Plans that include each implementing entities own national communication activities and strategies.

(b) Sub-national and Local level Activities

(i) utilizing experience gained from the implementation of activities from Phase I of FLEG, the Recipient will continue to advance its support on the formulation and implementation of forest policy, legal, administrative and institutional reforms on the sub-national levels; providing support to national and sub-national stakeholders on forest governance techniques (e.g. legal knowledge, technical knowledge of offences, how to document forest crimes, detection techniques etc.), to enable forest staff to ensure law enforcement;

(ii) documenting and communicating concrete local results on forest governance and forest law enforcement (e.g. local dedicated websites, hotlines etc.);

(iii) supporting the use of modern technology such as timber tracking with Global Positioning System (GPS), and other technologies including ICT (Information and Communications Technology) through pilot activities addressing FLEG issues;

(iv) involving local communities in policy development and in sustainable forest management, as well as providing information that is accessible, user friendly and relevant for local decision makers;

(v) increasing public awareness and participation (through training activities, workshops and outreach events); and
(vi) developing activities that will be part of each Country Work Plan that will include links between national and sub-national communication activities and strategies for each country.

2.02. **Project Execution Generally.** The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out the Project through: (a) a Project Manager and, as may be required, the Recipient’s offices located in or near to the Participating Countries in accordance with the provisions of: (b) Article II of the Standard Conditions; (c) the “Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits & Grants”, dated October 15, 2006 (“Anti-Corruption Guidelines”); and (d) Article II of this Grant Agreement.

2.03. **Institutional and Other Arrangements.** The Recipient shall:

(a) implement the Project in partnership with the World Bank, the WWF, and the EC, and in close coordination and consultation with the respective governments of the Participating Countries, civil society and the private sector of the Participating Countries;

(b) submit draft Country Work Plans developed by country teams (comprised of one country member for each Implementing Entity) to the World Bank and EC for first round of approval and then to the Steering Committee for confirmation of such approval. Country Work Plans shall be done in consultation and with the participation of the respective NPACs. The Recipient shall not amend, suspend, abrogate, repeal or waive any provision of the Country Work Plans without prior no objection from the World Bank and subsequent approval from the Steering Committee. The Recipient shall implement the Project in accordance with the approved Country Work Plans;

(c) develop the Regional Work Plan in collaboration with the World Bank and the WWF, in accordance with the objectives and activities under Part 1 of the Project;

(d) ensure that all contracts in relation to activities financed under the Grant, all publications training programs, seminars or symposia financed under the Grant, and all press releases or other information materials issued by the Recipient with respect to the Grant shall clearly indicate that the Project activities have received funding from the EC in accordance with the Administration Agreement for the European Union Contributions to the Single-donor Trust Fund for European Neighborhood and Partnership Instrument East Countries Forest Law Enforcement and Governance II Program dated December 5, 2012 between the EC and the World Bank;

(e) ensure that, all activities undertaken under the Project comply with environmental standards and guidelines satisfactory to the World Bank. To that end, the Recipient shall ensure that, where applicable: (i) the Project activities
related to policies, national forestry plans and programs, are carried out in accordance with the provisions of the SESAF and implemented in a manner satisfactory to the Bank, including all necessary measures to minimize and to mitigate any adverse environmental impacts caused by the implementation of the Project and (ii) Project pilot-related activities are implemented in accordance with the EMF. The SESAF and the EMF documents are prepared by the Recipient and shall not be assigned, amended, abrogated, or waived without prior approval of the World Bank;

(f) develop, for the purposes of guiding Project implementation, a Project Operations Manual, satisfactory to the World Bank setting out, *inter alia*:

(i) rules, methods, guidelines and procedures relating to Project implementation;

(ii) administrative, financial, accounting and auditing management arrangements, requirements and detailed procedures consistent with the provisions of Section 2.06 of this Article II;

(iii) guidelines and procedures for procurement consistent with the provisions of Section 2.07 of this Article II;

(g) carry out the Project in a timely manner and in accordance with provisions of the Project Operations Manual; and

(h) not amend or waive, or permit to be amended or waived said Project Operations Manual or any provisions thereof, except with the prior written approval of the World Bank.

2.04. **Donor Visibility and Visit.** (a) The Recipient shall take or cause to be taken all such measures as the World Bank may reasonably request to identify publicly the Donor’s support for the Project. All Project outputs will meet the visibility requirements of the EC, and will be presented and branded as ENPI East Countries FLEG II Program outputs rather than as outputs of the participating individual organizations;

(b) For the purposes of Section 2.09 of the Standard Conditions, the Recipient shall, upon the World Bank’s request, take all measures required on its part to enable the representatives of the Donor to visit any part of the Grant’s activities for purposes related to the Project.

2.05. **Project Monitoring, Reporting and Evaluation.** (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of the indicators developed by the Recipient during the preparation of the Country and Regional Work Plans, acceptable to the World Bank. Each Project Report shall cover the period of six months and shall be furnished to the World Bank not later than one month after the end of the period covered by such report;

(b) The Recipient shall prepare a Procurement Plan, acceptable to the World Bank, on an annual basis, with the first Procurement Plan covering the Inception Period, and subsequent Procurement Plans submitted annually thereafter;
(c) The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six months after the Closing Date.

2.06. Financial Management. (a) The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

(b) The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank not later than 45 days after the end of each semester, covering the semester, in form and substance satisfactory to the World Bank.

(c) The Recipient shall have its project (FLEG II) Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each such audit of the Financial Statements shall cover the period of one fiscal year (with the first fiscal year including the inception period as defined in Section 1.02 (o)). The audited Financial Statements for each such period shall be furnished to the World Bank not later than six months after the end of such period.

(d) The annual audit will be conducted as per the Terms Of Reference approved by the World Bank.

(e) The World Bank will provide the EC with copies of all financial statements' and auditors' report received by the World Bank from the Recipient pursuant to this Grant Agreement.

2.07. Procurement

(a) General.

1. Goods. All goods required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines and with the provisions of this Section.

3.
