ANNEX TO SCHEDULE 2

Modifications to National Competitive Bidding (NCB) Procedures

The procedure to be followed for National Competitive Bidding shall be the “Single-Stage Bidding” method set forth in the Public Procurement Law of the Recipient dated April 3, 2015 No 72 (the “PPL”) provided, however, that such procedure shall be subject to the provisions of Section I and Paragraphs 3.3 and 3.4 of the “Guidelines for Procurement of Goods, Works, and Non-Consulting Services under IBRD Loans and IDA Credits & Grants by World Bank Borrowers” (January 2011, revised July 2014) (the “Procurement Guidelines”) and the following additional provisions:

1. Procuring entities shall use the appropriate standard bidding documents, including forms of contract acceptable to the Association, which shall be prepared so as to ensure economy, efficiency, transparency and broad consistency with the provisions of Section I of the Procurement Guidelines.

2. The eligibility of bidders shall be as defined under Section I of the Procurement Guidelines; accordingly, no bidder or potential bidder shall be declared ineligible for contracts financed by the Association for reasons other than those provided in Section I of the Procurement Guidelines.

3. No restrictions in respect of eligibility to participate in bidding for contracts shall be placed on the basis of nationality of the bidder and/or the origin of goods other than those imposed by primary boycotts.

4. Foreign bidders shall be allowed to participate in National Competitive Bidding procedures without restrictions of any kind.

5. No preference of any kind shall be applied for domestic bidders and/or for domestically manufactured goods.

6. Bidding shall not be restricted to pre-registered firms, and foreign bidders shall not be required to be registered with local authorities as a prerequisite for submitting bids.

7. Foreign firms shall not be required to associate with a local partner in order to bid as a joint venture, and joint venture partners shall be jointly and severally liable for their obligations.

8. Government-owned enterprises in the Recipient’s territory shall be eligible to participate in bidding only if they can establish that they are legally and financially autonomous, operate under commercial law, and are not dependent agencies of the Borrower or Sub-Borrower. Such enterprises shall be subject to the same bid and performance security requirements as other bidders.
9. Prequalification procedures acceptable to the Association shall be used for large, complex and/or specialized projects.

10. Bidders shall be given at least thirty (30) days from the date of the invitation to bid or the date of availability of bidding documents, whichever is later, to prepare and submit bids.

12. An extension of bid validity, if justified by exceptional circumstances, may be requested in writing from all bidders before the expiration date and for a minimum period required to complete the evaluation or award a contract, but not to exceed thirty (30) days. No further extensions shall be requested without the prior concurrence of the Association.

13. Bids shall be opened in public, immediately after the deadline for their submission in accordance with procedures stated in the bidding documents. No bids should be rejected at bid opening unless they are late.

14. Evaluation of bids shall be made in strict adherence to the quantifiable criteria declared in the bidding documents. Qualification criteria for bid evaluation shall be applied on a pass or fail basis. Evaluation criteria other than price shall be quantified in monetary terms.

15. Bids that are not substantially responsive to the technical specifications, contract conditions, or other critical requirements in the bidding documents shall be rejected.

16. Bid evaluations shall be confidential, and bidding committee meetings shall not be open to bidders and/or their representatives.

17. Post-qualification criteria shall only pertain to past contract performance, financial and technical capabilities of bidders.

18. Contracts shall be awarded to the bidder who submits the lowest-evaluated, substantially-responsive bid, and who is determined to be qualified to perform the contract in accordance with pre-defined and pre-disclosed evaluation criteria. No negotiation as to the price or substance of the bid shall take place.

19. If the procuring entity fails to conclude a contract with the lowest evaluated bidder, a contract may be awarded to the qualified bidder who is next ranked and whose bid is found substantially responsive.
20. All bids (or the sole bid if only one bid is received) shall not be rejected, the procurement process shall not be cancelled, and new bids shall not be solicited without the Association's prior concurrence.

21. Bidders shall be given at least twenty-eight (28) days from the receipt of notification of contract award to submit performance securities.

22. Each bidding document and contract financed out of the proceeds of the Financing shall include provisions stating the Association's policy to sanction firms or individuals, found to have engaged in fraud and/or corruption as defined in the paragraph 1.16(a) of the Procurement Guidelines. The Association will sanction a firm or an individual, at any time, in accordance with prevailing Association sanctions procedures, including by publicly declaring such firm or individual ineligible, either indefinitely or for a stated period of time: (i) to be awarded an Association-financed contract; and (ii) to be a nominated sub-contractor, consultant, supplier, or service provider of an otherwise eligible firm being awarded an Association-financed contract.

23. In accordance with the paragraph 1.16(e) of the Procurement Guidelines, each bidding document and contract financed out of the proceeds of the Financing shall provide that bidders, suppliers and contractors, and their subcontractors, agents, personnel, consultants, service providers, or suppliers, shall permit the Association to inspect all accounts, records, and other documents relating to the submission of bids and contract performance, and to have them audited by auditors appointed by the Association. Acts intended to materially impede the exercise of the Association's inspection and audit rights provided for in the Procurement Guidelines constitute an obstructive practice as defined in the Procurement Guidelines.

24. Complaints related to the procurement process shall be handled in accordance with the provisions of the Procurement Guidelines.
