SCHEDULE 1

Project Description

The objectives of the Project are to prevent, detect and respond to the threat posed by COVID-19 and to strengthen national systems for public health preparedness in Eswatini.

The Project constitutes a phase of the MPA Program, and consists of the following parts:

Part 1: Emergency COVID-19 Response

1. Strengthening COVID-19 case detection, confirmation, contact tracing, recording and reporting through *inter alia*: (a) strengthening disease surveillance systems and in-country testing capacity through scaling up rapid near patient molecular testing and other testing technologies, including strengthening health facilities, the National Reference Laboratory (NRL), and other public health laboratories in specimen collection, packaging, storage, shipment and epidemiological capacity for early detection and confirmation of cases; (b) combining detection of new cases with active contact tracing; (c) supporting epidemiological investigation; (d) strengthening risk assessment; (e) strengthening screening, isolation and follow up of travelers at point of entry; and (f) providing on-time data and information for guiding decision-making, response and mitigation activities.

2. Strengthening the health system for COVID-19 preparedness planning through; *inter alia*:
   (a) assisting the health care system for preparedness planning to provide optimal medical care, maintain essential community services and minimize risks for patients and health personnel by, *inter alia*: (i) providing training on risk for health facilities’ staff and front-line workers on risk mitigation measures; and (ii) providing health facilities’ staff with appropriate protective equipment, water supply, sanitation, hygiene materials and health care waste management services;
   (b) strengthening clinical capacity through, *inter alia*: (i) developing financing plans for the establishment of specialized units in selected hospitals; (ii) developing treatment guidelines and hospital infection control guidelines; (iii) establishing local isolation units in selected hospitals; and (iv) providing clinical training to health workers on widespread infection control; and
   (c) relieving the burden on inpatient and outpatient health care services through *inter alia*: (i) recruit temporary surge capacity for service delivery; (ii) reorganizing, repurposing and equipping selected health facilities (including the Lubombo referral hospital and the Raleigh Fitkin Memorial hospital) for the delivery of critical medical services and increased demand of services due to the outbreak; (iii) developing intra-hospital infection control measures; and (iv) procuring fully equipped ambulances for highly infectious diseases.

3. Improving the implementation of social distancing measures and strengthening communications preparedness through *inter alia*: (a) developing well-design communication strategy targeting parents, traditional and religious leaders and general public; (b) developing guidelines for managing at risk groups, including elderly isolation, pension pick-up situations and people with HIV and other chronic conditions; (c) carrying
out behavior change communication activities that (i) support cost-effective and sustainable methods including promoting handwashing, food hygiene, and safe water practices through various communication channels (e.g. via mass media, counseling, schools, workplace), and (ii) are integrated into specific ongoing outreach activities of Recipient’s ministries and sectors, especially ministries of health, education, agriculture, and transport; (d) carrying out two-way communication activities to raise awareness, knowledge and understanding among the general population on the risk and potential impact of the pandemic; (e) supporting community mobilization through trained community health workers, religious leaders and traditional healers; and (f) developing and distributing basic communication materials on COVID-19 including, *inter alia:* (i) question and answers sheets and fact sheets in Siswati; and (ii) general preventative measures for the general public such as “dos” and “don’ts”; (iii) information and guidelines for health care providers; (iv) training modules (web-based and printed); (v) presentations, slide sets, videos and documentaries; and (vi) symposia on surveillance, treatment and prophylaxis.

**Part 2: Implementation Management and Monitoring and Evaluation**

1. Carrying out Project management activities, including: (a) strengthening public structures for the coordination and management of the Project, including central and local (decentralized) arrangements for the coordination of Project activities; (b) carrying out financial management and procurement requirements of the Project; (c) strengthening existing structures through the recruitment of additional staff/consultants responsible for overall administration, procurement, and financial management; and (d) carrying out Project coordination activities.

2. Carrying out monitoring and evaluation of the Project, including: (a) monitoring and evaluating prevention and preparedness; (b) building capacity for clinical and public health research, including veterinary, and joint-learning across and within countries; and (c) providing training in participatory monitoring and evaluation at all administrative levels, including: (i) carrying out evaluation workshops; (ii) developing action plans for monitoring and evaluation; and (iii) carrying out successful models workshops.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. National Emergency Management Committee and National Emergency Task Team

The Borrower shall maintain, during Project implementation, a national emergency management committee, with composition, functions and qualified staff in numbers and with experience and terms of reference satisfactory to the Bank, which shall: (a) be chaired by the Borrower’s Deputy Prime Minister; and (b) be responsible for Project cabinet-level intersectoral coordination and steering oversight (“National Emergency Management Committee” or “NEMC”). The NEMC shall be supported by a national emergency task team, with composition, functions and qualified staff in numbers and with experience and terms of reference satisfactory to the Bank, which shall: (a) comprise, inter alia, members of different sectors and of the National Disaster Management Agency; and (b) be responsible for implementing national and regional emergency plans and procedures, and coordinating the preparedness and response activities under the Project (“National Emergency Task Team” or “NETT”).

2. National Public Health Emergency Committee and Senior Management team

The Borrower shall maintain during Project implementation, within MoH and with composition, functions and qualified staff in numbers and with experience and terms of reference satisfactory to the Bank:

(a) a national public health emergency committee; which shall: (i) chaired by a senior medical officer/public health lead from MOH; (ii) comprise, inter alia, public health emergency technical leads and experts and representatives from development partners; (iii) be responsible for providing technical oversight of Project activities (“National Public Health Emergency Committee” or “NPHEC”). Notwithstanding the afore-mentioned, the NPHEC shall maintain regional response committees: which shall: (i) be chaired by emergency response and preparedness officers within each region (being members of the regional health management teams); and (ii) comprise, inter alia, of regional nurse managers and designated allied workers responsible for evacuation, isolation of patients and contact tracing; and

(b) a senior management team, which shall: (i) be chaired the Principal Secretary of MOH; and (ii) be responsible for: (A) providing the necessary resources and overall strategic guidance for Project implementation; and (B) facilitating feedback between the NEMC and NPHEC.

3. Core Implementation Team

By no later than one (1) month after the Effective Date, the Borrower shall establish, and thereafter maintain, during Project implementation a full core implementation team with composition, functions and qualified staff in numbers and with experience and terms of
reference satisfactory to the Bank, which shall: (a) be chaired by a Project coordinator and comprise MOH staff; (b) report to the Principal Secretary of MOH; and (c) be responsible for implementing and coordinating all Project activities, preparing the annual work plans and budget, monitoring and evaluating Project implementation, and carrying out all Project procurement, financial management, environmental and social aspects (“Core Implementation Team”).

B. Project Implementation Manual

1. The Recipient shall:

(a) by no later than one (1) month after the Effective Date, prepare and adopt a Project implementation manual (“Project Implementation Manual”) containing detailed guidelines and procedures for the implementation of the Project, including with respect to: administration and coordination, monitoring and evaluation, financial management, procurement and accounting procedures, environmental and social safeguards, corruption and fraud mitigation measures, a grievance redress mechanism, personal data collection and processing in accordance with good international practice, roles and responsibilities for Project implementation, and such other arrangements and procedures as shall be required for the effective implementation of the Project, in form and substance satisfactory to the Association; and

(b) except as the Bank shall otherwise agree in writing; not amend or waive or permit to be amended or waived any provision of the Project Implementation Manual.

2. In case of conflict between the provisions of the Project Implementation Manual and this Agreement, the provisions of this Agreement shall prevail.

C. Annual Work Plan and Budget

For purposes of Project implementation, the Borrower shall:

(a) by not later than November 30th of each year during Project implementation, prepare and furnish to the Bank annual work plans, which shall contain all activities proposed to be included in the Project during the following year, and a proposed financing plan for expenditures required for such activities (“Annual Work Plan and Budget”); and

(b) the Borrower shall afford the Bank a reasonable opportunity to exchange views with the Borrower on each such Annual Work Plan and Budget and thereafter ensure that the Project is implemented with due diligence during said following year in accordance with such work plan and budget as shall have been approved by the Bank.

D. Environmental and Social Standards

1. The Borrower shall ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Bank.
2. Without limitation upon paragraph 1 above, the Borrower shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan ("ESCP"), in a manner acceptable to the Bank. To this end, the Borrower shall ensure that:

(a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, and as further specified in the ESCP;

(b) sufficient funds are available to cover the costs of implementing the ESCP;

(c) policies, procedures and qualified staff are maintained to enable it to implement the ESCP, as further specified in the ESCP; and

(d) the ESCP or any provision thereof, is not amended, revised or waived, except as the Bank shall otherwise agree in writing and the Borrower has, thereafter, disclosed the revised ESCP.

In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.

3. The Borrower shall:

(a) take all measures necessary on its part to collect, compile, and furnish to the Bank through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Bank, information on the status of compliance with the ESCP and the management tools and instruments referred to therein, all such reports in form and substance acceptable to the Bank, setting out, inter alia: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and

(b) promptly notify the Bank of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers (including any workplace accidents that result in death, serious or multiple injury, pollution; any violent labor unrest or dispute between the Borrower or security forces (assigned to protect the Project) and local communities; or any case of sexual exploitation and abuse, sexual harassment and violence against minors), in accordance with the ESCP, the instruments referenced therein and the Environmental and Social Standards.

4. The Borrower shall maintain and publicize the availability of a grievance mechanism, in form and substance satisfactory to the Bank, to hear and determine fairly and in good faith all complaints raised in relation to the Project and take all measures necessary to implement the determinations made by such mechanism in a manner satisfactory to the Bank.
E. **United Nations Agency(ies)**

When engaging any UN Agency(ies) for purposes of supporting the implementation of the Project, the Borrower shall enter into (an) agreement(s) with any UN Agency(ies) under standard forms of agreements approved by the Bank.

F. **Procurement**

Without limitation upon Section 5.13 of Article V of the General Conditions, all contracts procured by the Borrower in accordance with Section V, paragraph 5.1 and 5.2 Advance Contracting and Retroactive Financing of the Procurement Regulations, shall be eligible for financing from the proceeds of the Loan only if the related contractors, suppliers, and consultants have expressly agreed to comply with the Anti-Corruption Guidelines.

**Section II. Project Monitoring Reporting and Evaluation**

The Borrower shall furnish to the Bank each Project Report not later than forty-five (45) days after the end of each calendar quarter, covering the calendar quarter. Except as may otherwise be explicitly required or permitted under this Agreement or as may be explicitly requested by the Association, in sharing any information, report or document related to the activities described in Schedule 1 of this Agreement, the Recipient shall ensure that such information, report or document does not include Personal Data.

**Section III. Withdrawal of Loan Proceeds**

A. **General.**

Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Borrower may withdraw the proceeds of the Loan to: (a) finance Eligible Expenditures; and (b) pay: (i) the Front-end Fee; and (ii) each Interest Rate Cap or Interest Rate Collar premium; in the amount allocated and, if applicable, up to the percentage set forth against each Category of the following table:
