Re: SIDS DOCK Grant No. TF014187  
Republic of Seychelles - RE Feed-in Tariff and Grid Co Project  

Excellency:  

In response to the request for financial assistance made on behalf of the Republic of Seychelles ("Recipient"), I am pleased to inform you that the International Bank for Reconstruction and Development and the International Development Association ("World Bank"), acting as administrator of grant funds provided by various donors "Donors" under the Support for Small Island Developing States DIDS Dock Support Program Multi Donor Trust Fund proposes to extend to the Recipient a grant in an amount not to exceed two hundred fifty thousand United States Dollars (U.S.$250,000) ("Grant") on the terms and conditions set forth or referred to in this letter agreement ("Agreement"), which includes the attached Annex, to assist in the financing of the project described in the Annex ("Project").

This Grant is funded out of the abovementioned trust fund for which the World Bank receives periodic contributions from the Donors. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the World Bank's payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the Donors under the abovementioned trust fund, and the Recipient's right to withdraw the Grant proceeds is subject to the availability of such funds.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Project in accordance with the terms and conditions set forth or referred to in this Agreement.
Please confirm the Recipient's agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to the World Bank. Upon receipt by the World Bank of this countersigned copy, this Agreement shall become effective as of the date specified by the World Bank in accordance with Section 4.02 of the Annex to this Agreement.

Very truly yours,

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT AND THE INTERNATIONAL DEVELOPMENT ASSOCIATION

(2) Disbursement Letter of the same date as this Agreement, together with World Bank Disbursement Guidelines for Projects, dated May 1, 2006.

Article I
Standard Conditions; Definitions

1.01. **Standard Conditions.** The Standard Conditions for Grants Made by the World Bank out of Various Funds dated February 15, 2012 ("Standard Conditions") constitute an integral part of this Agreement.

1.02. **Definitions.** Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions or in this Agreement and the following terms have the following meanings:

(a) "Anti-corruption Guidelines" means the "Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants", dated October 15, 2006 and revised in January 2011;

(b) "Consultants' Guidelines" means the "Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits and Grants by World Bank Borrowers" dated January 2011;

(c) "FAS Manual" means the PUC's manual to be revised according to the provisions of Section 2.03 (a) (viii) of this Annex;

(d) "Procurement Plan" means the Recipient's procurement plan dated September 17, 2012, as the same shall be updated from time to time by the Recipient for the Project in accordance with paragraph 1.25 of the Consultant Guidelines;

(e) "Project Implementing Entity" means the PUC hereafter defined; and

(f) "Public Utility Corporation" or "PUC" means an agency of the Recipient's Ministry of Environment and Energy, responsible for providing water and electricity services on the Recipient's territory, created pursuant to the Public Utilities Corporation Act of 1985 (Chapter 196).

Article II
Project Execution

2.01. **Project Objectives and Description.** The objective of the Project is to ensure continued strengthening of the regulatory framework for the promotion of distributed and centralized generation with renewable energy systems.

The Project consists of the production of a report covering, *inter alia*:

A. An estimation of the grid absorption maximum capacity of the public utilities corporation, including:
(i) an assessment of the amount of renewable generation that the system can safely absorb in relation to projected demand, without jeopardizing the safety and reliability of the grid under the current circumstances of the network;
(ii) an assumption of a realistic energy mix including PV, wind and the current diesel generation; and
(iii) an assessment of the potential impact on the electricity system and recommendations for achieving higher levels of RE penetration.

B. A definition of the technical interconnection requirements for RE system and operational control system needs, including:

(a) the definition of a grid code for the interconnection of renewable systems to Public Utilities corporation (PUC) electricity grid which covers:

(i) the technical criteria and requirements for inter-connection for small and medium scale distributed generation in consultation with the PUC;
(ii) voltages, frequency range of operation and requirements to integrate such sources into system operations;
(iii) variable renewable energy technologies, such as wind, solar PV, and hybrid systems connected to the low and medium voltage grid;
(iv) relevant differentiations depending on the capacity of the system, technology, application and licensing requirements.

(b) the identification of actions to be taken to ensure integration of 5% of variable RE into the electricity grid by 2020 and 15% by 2030.

C. The design of feed-in-tariffs for wind, PV, biomass, hydro and waste-to energy systems, including:

(i) a definition of the criteria of eligibility for benefiting from the feed-in tariff;
(ii) an evaluation of the most suitable factors to be taken into account when defining tariff levels;
(iii) a definition of the tariff levels based on the Recipient’s annual targets for renewable share and the capacity of the grid to absorb variability in generation; and
(iv) a definition of the degression of tariffs over the years, if required.

D. The preparation of templates and models for power purchase agreements and models for all the necessary renewable energy systems, including wind, PV, biomass, hydro, waste-to energy systems and hybrid systems.

2.02. Project Execution Generally. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall cause the Public Utility Corporation (PUC) ("Project Implementing Entity") to carry out the Project in accordance with the provisions of: (a) Article II of the Standard Conditions; (b) the Anti-Corruption Guidelines; and (c) this Article II.
2.03. **Institutional Arrangements.** Without limitations upon Section 2.02 of this Agreement:

(a) The Recipient shall make the proceeds of the Grant available to the Project Implementing Entity on a grant basis under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the World Bank ("Subsidiary Agreement"), including terms whereby the Project Implementing Entity shall be required to:

(i) carry out the Project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the World Bank, including in accordance with the provisions of the Anti-Corruption Guidelines;

(ii) provide, promptly as needed, the resources required for the purpose;

(iii) procure the goods and services to be financed out of the Grant in accordance with the provisions of this Agreement;

(iv) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the World Bank, the progress of the Project and the achievement of its objectives;

(v) (A) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the World Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Project; and (B) at the World Bank’s or the Recipient’s request, have such financial statements audited by independent auditors acceptable to the World Bank, in accordance with consistently applied auditing standards acceptable to the World Bank, and promptly furnish the statements as so audited to the Recipient and the World Bank;

(vi) enable the Recipient and the World Bank to inspect the Project, its operation and any relevant records and documents;

(vii) prepare and furnish to the Recipient and the World Bank all such information as the Recipient or the World Bank shall reasonably request relating to the foregoing; and

(viii) revise the FAS Manual, not later one month after the Effective Date of this Agreement, to contain, *inter alia*, detailed administrative, organizational, procurement, financial management procedures, as shall be required for the Project.

(b) The Recipient shall obtain rights adequate to protect its interests and those of the World Bank and shall perform its obligations and exercise said rights under the Subsidiary Agreement in such a manner as to protect the interests of the Recipient and the World Bank and to accomplish the purposes of the Grant. Except as the World Bank shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

(c) The Recipient shall ensure that the Project Implementing Entity is maintained with functions, resources and staff satisfactory to the World Bank.
2.04. **Project Monitoring, Reporting and Evaluation.** (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of indicators acceptable to the World Bank. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the World Bank not later than forty-five (45) days after the end of the period covered by such report.

(b) The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six months after the Closing Date.

2.05. **Financial Management.** (a) The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

(b) The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank not later than forty-five (45) days after the end of each calendar quarter, covering the quarter, in form and substance satisfactory to the World Bank.

(c) The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each audit of the Financial Statements shall cover the entire period during which withdrawals from the Grant Account were made. The audited Financial Statements for such period shall be furnished to the World Bank not later than six months after the end of such period.

2.06. **Procurement**

(a) **General.** All consultants’ services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in:

(i) Sections I and IV of the “Consultant Guidelines” in the case of consultants’ services; and

(ii) the provisions of this Section, as the same shall be elaborated in the Procurement Plan.

(b) **Definitions.** The capitalized terms used in the following paragraphs of this Section to describe particular procurement methods or methods of review by the World Bank of particular contracts, refer to the corresponding method described in Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

(c) **Particular Methods of Procurement of Consultants’ Services**

Except as otherwise provided in item (ii) below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.
(d) Review by the World Bank of Procurement Decisions. The Procurement Plan shall set forth those contracts which shall be subject to the World Bank's Prior Review. All other contracts shall be subject to Post Review by the World Bank.

**Article III**

**Withdrawal of Grant Proceeds**

3.01. **Eligible Expenditures.** The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of: (a) the Standard Conditions; (b) this Section; and (c) such additional instructions as the World Bank may specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the following table. The table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Grant (“Category”), the allocations of the amounts of the Grant to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

3.02. **Withdrawal Conditions.** Notwithstanding the provisions of Section 3.01 of this Agreement, no withdrawal shall be made for payments made prior to the date of countersignature of this Agreement by the Recipient.

3.03. **Withdrawal Period.** The Closing Date referred to in Section 3.06 (c) of the Standard Conditions is June 30, 2014.

**Article IV**

**Effectiveness; Termination**

4.01. This Agreement shall not become effective until evidence satisfactory to the World Bank has been furnished to the World Bank that the condition specified below has been satisfied.

The Subsidiary Agreement referred to in Section 2.03 of this Annex has been executed on behalf of the Recipient and the Project Implementing Entity.

4.02. Except as the Recipient and the World Bank shall otherwise agree, this Agreement shall enter into effect on the date upon which the World Bank dispatches to the Recipient notice of its acceptance of the evidence required pursuant to Section 4.01 (“Effective Date”). If, before the Effective Date, any event has occurred which would have entitled the World Bank to suspend the
right of the Recipient to make withdrawals from the Grant Account if this Agreement had been effective, the World Bank may postpone the dispatch of the notice referred to in this Section until such event (or events) has (or have) ceased to exist.

4.03. Termination for Failure to Become Effective. This Agreement and all obligations of the parties under it shall terminate if it has not entered into effect by the date 90 days after the date of this Agreement, unless the World Bank, after consideration of the reasons for the delay, establishes a later date for the purpose of this Section. The World Bank shall promptly notify the Recipient of such later date.
