Section 2.03. (a) Each request by the Borrower for authorization to make withdrawals from the Loan Account in respect of a sub-loan shall contain a summary description of the Investment Enterprise and the Investment Project (including a description of the expenditures proposed to be financed out of the proceeds of
the Loan) and the terms and conditions of such sub-loan, (including the schedule of amortization therefor).

(b) Except as the Bank and the Borrower shall otherwise agree, requests made pursuant to the provisions of paragraph (a) of this Section 2.03 shall be presented to the Bank on or before December 31, 1978.

Section 2.04. The Closing Date shall be December 31, 1979 or such other date as shall be determined by the Bank.

Section 2.07. Interest and other charges shall be payable semi-annually on February 1 and August 1 in each year.

Section 2.08. (a) The Borrower shall repay the principal amount of the Loan in accordance with the amortization schedule set forth in Schedule 1 to this Agreement, as such Schedule shall be amended from time to time by the Bank to the extent required to: (i) conform in relevant part substantially to the aggregate of
the amortization schedules applicable to sub-loans out of the proceeds of the Loan which have been authorized for withdrawals from the Loan Account under Section 2.02 of this Agreement and (ii) take into account any cancellation pursuant to Article VI of the General Conditions and any repayments of the Loan made by the Borrower under Section 2.09 of this Agreement; provided that repayments due hereunder shall be made on February 1 and August 1 in each year. Such amendments of said Schedule 1 shall include amendments to the table of premiums on prepayment, if necessary.

(b) The amortization schedule applicable to each sub-loan out of the proceeds of the Loan shall provide for an appropriate period of grace not exceeding 10 years, and, unless the Bank and the Borrower shall otherwise agree (i) shall not extend beyond 25 years from the date of authorization by the Bank to make withdrawals from the Loan Account in respect thereof, and (ii) shall provide for approximately equal semi-annual, or more frequent, aggregate payments of principal and interest or approximately equal semi-annual, or more frequent, payments of principal.

(c) The Borrower shall transmit to the Bank, for its prior approval, any substantial changes proposed to be made by the Borrower in respect of the repayment provisions of any sub-loan.

Section 2.09. Unless the Bank and the Borrower shall otherwise agree:

(a) If a sub-loan or any part thereof shall be repaid to the Borrower in advance of maturity or if a sub-loan or any part thereof shall be sold, transferred, assigned or otherwise disposed of
for value by the Borrower, the Borrower shall promptly notify the Bank and shall repay to the Bank, on the next following interest payment date, the amount withdrawn from the Loan Account in respect of such sub-loan or part thereof and not theretofore repaid to the Bank, together with the premiums specified in Schedule 1 to this Agreement or in any amendment thereof under Section 2.08 (a) of this Agreement.

(b) Any amount so repaid by the Borrower shall be applied by the Bank to the maturity or maturities of the Loan in amounts corresponding to the outstanding amounts of the maturity or maturities of the sub-loan so repaid or disposed of.

ARTICLE III

The Project;
Management and Operations of the Borrower

(a) The purpose of the Project is to assist the Borrower in financing such productive facilities and resources in the states and territories of its Caribbean regional members listed in Schedule 3 to this Agreement as will contribute to the economic and social development thereof. The Project consists in the financing of specific development projects located in the said states and territories, in furtherance of the corporate purposes of the Borrower.

(b) The Borrower shall carry out the Project and conduct its operations and affairs in accordance with sound financial standards and practices, with qualified management and personnel, and in accordance with the Charter and Statement of Policy.

Section 3.02. (a) The Borrower undertakes that, unless the Bank shall otherwise agree, any sub-loan will be made on terms whereby the Borrower shall obtain, by written contract with the Investment Enterprise or by other appropriate legal means, rights adequate to protect the interests of the Bank and the Borrower, including the right to: (i) require the Investment Enterprise to carry out and operate the Investment Project with due diligence and efficiency and in accordance with sound technical, financial and managerial standards and to maintain adequate records; (ii) require that (1) the goods and services to be financed out of the
proceeds of the Loan shall be purchased at a reasonable price, account being taken also of other relevant factors such as time of delivery and efficiency and reliability of the goods and availability of maintenance facilities and spare parts therefor, and, in the case of services, of their quality and the competence of the parties rendering them and (2) such goods and services shall be used exclusively in the carrying out of the Investment Project; (iii) inspect, by itself or jointly with representatives of the Bank if the Bank shall so request, such goods and the sites, works, plants and construction included in the Investment Project, the operation thereof, and any relevant records and documents; (iv) require that: (1) the Investment Enterprise shall take out and maintain with responsible insurers such insurance, against such risks and in such amounts, as shall be consistent with sound business practice; and (2) without any limitation upon the foregoing, such insurance shall cover marine, transit and other hazards incident to the acquisition, transportation and delivery of goods financed out of the proceeds of the Loan to the place of use or installation, any indemnity thereunder to be made payable in a currency freely usable by the Investment Enterprise to replace or repair such goods; (v) obtain all such information as the Bank or the Borrower shall reasonably request relating to the foregoing and to the administration, operations and financial condition of the Investment Enterprise; and (vi) suspend or terminate the right of the Investment Enterprise to the use of the proceeds of the Loan upon failure by such Investment Enterprise to perform its obligations under its contract with the Borrower.
(b) The Borrower shall exercise its rights in relation to each Investment Project in such manner as to: (i) protect the interests of the Bank and the Borrower, (ii) comply with its obligations under this Agreement, and (iii) achieve the purposes of the Project.

Section 3.03. The Borrower shall furnish to the Bank all such information as the Bank shall reasonably request concerning the expenditure of the proceeds of the Loan, the Project, the Investment Enterprises, the Investment Projects, and the sub-loans.

Section 3.04. The Borrower shall duly perform all its obligations under agreements under which funds have been lent or otherwise put at the disposal of the Borrower for relending, investment or management. The Borrower shall promptly inform the Bank of any action which would have the effect of assigning, or of amending, abrogating or waiving any material provision of, any such agreement.

Section 3.05. If the Borrower establishes or acquires any subsidiary, the Borrower shall cause such subsidiary to observe and perform the obligations of the Borrower hereunder to the extent to which such obligations shall or can be applicable thereto, as though such obligations were binding upon such subsidiary.
ARTICLE IV

Financial Covenants

Section 4.01. The Borrower shall maintain records adequate to record the progress of the Project and of each Investment Project (including the cost thereof) and to reflect in accordance with consistently maintained sound accounting practices the operations and financial condition of the Borrower.

Section 4.02. The Borrower shall: (i) have its accounts and financial statements (balance sheets, statements of income and expenses and related statements) for each fiscal year audited in accordance with sound auditing principles consistently applied, by independent auditors acceptable to the Bank; (ii) furnish to the Bank, as soon as available but in any case not later than three months after the end of each such year, (A) certified copies of its financial statements for such year as so audited and (B) the report of such audit by said auditors, of such scope and in such detail as the Bank shall have reasonably requested; and (iii) furnish to the Bank such other information concerning the accounts and financial statements of the Borrower and the audit thereof as the Bank shall from time to time reasonably request.

Section 4.03. (a) The Borrower represents that at the date of this Agreement no lien exists on any of its assets as security for any debt, except as otherwise currently reported or disclosed in writing by the Borrower to the Bank.
(b) The Borrower undertakes that, except as the Bank shall otherwise agree: (i) if any lien shall be created on any assets of the Borrower or any subsidiary as security for any debt, such lien will equally and ratably secure the payment of the principal of, and interest and other charges on the Loan and that in the creation of any such lien express provision will be made to that effect at no cost to the Bank; and (ii) if any statutory lien shall be created on any assets of the Borrower or of any subsidiary as security for any debt, the Borrower shall grant, at no cost to the Bank, an equivalent lien satisfactory to the Bank to secure the payment of the principal of, and interest and other charges on the Loan; provided, however, that the foregoing provisions of this paragraph shall not apply to: (A) any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property; or (B) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after the date on which it is originally incurred.

Section 4.04. The Borrower shall not make any repayment in advance of maturity in respect of any outstanding debt of the Borrower which, in the judgment of the Bank, would materially affect the Borrower's ability to meet its financial obligations.

Section 4.05. The Borrower shall take such steps satisfactory to the Bank as shall be necessary to protect itself against risk of loss resulting from changes in the rates of exchange between the currencies used in its lending and borrowing operations.
Section 4.06. The Bank and the Borrower shall from time to time, at the request of either party, exchange views through their representatives with regard to the administration, operations and financial condition of the Borrower and its subsidiaries, and the Borrower shall furnish to the Bank all such information as the Bank shall reasonably request concerning the administration, operations and financial condition of the Borrower and subsidiaries.
