Re: Republic of South Sudan: Advance Agreement for Preparation of Proposed Additional Financing for the Health Rapid Results Project

Notice – Correction of Project Preparation Advance number

Honorable:

We refer to the Advance Agreement ("Agreement") dated December 14, 2013, between the Republic of South Sudan ("Recipient") and the International Development Association ("World Bank") for the project preparation advance of the provided to the Recipient for the preparation of the Proposed Additional Financing for the Health Rapid Results Project.

An involuntary system error in the number assigned for the above mentioned Project Preparation Advance has come to our attention. In order to rectify this oversight, the existing number Q8930 embedded in the Agreement for this Project Preparation Advance (including, but not limited to, the disbursement letter of December 14, 2013) is replaced with a new number Q9000. All future correspondence regarding this Project Preparation Advance should refer to this new number.

Please note that we have already corrected this involuntary mistake both in the World Bank’s internal systems and in our official files.

All other provisions of the Agreement, other than the above, shall remain in full force and effect.

Very truly yours,
INTERNATIONAL DEVELOPMENT ASSOCIATION
