Re: Union of Comoros: First South West Indian Ocean Fisheries Governance and Shared Growth Project  
IDA Grant No. D011-KM and GEF Grant No. TF019023

Excellency:

We refer to the Financing Agreement dated April 9, 2015 ("Financing Agreement") between the Union of Comoros ("Recipient") and the International Development Association ("Association"); we also refer to the Global Environment Facility Grant Agreement of the same date, herewith ("GEF Grant Agreement") between the Recipient and the International Bank for Reconstruction and Development ("World Bank") (all together, the "Agreements").

Due to an error, the following modifications are made to the Agreements:

1. Section 5.01 of the Financing Agreement is replaced with the following:

"5.01. The Additional Condition of Effectiveness consists of the following, namely, that the Recipient has adopted the Project Operations Manual in form and substance satisfactory to the Association."

2. Section IV.A.2 of Schedule 2 to both Agreements is replaced with the following:

"2. The Closing Date is September 30, 2021."

Please confirm the receipt of this Rectification Notice.

Very truly yours,
