Dear Mister:

AFGHANISTAN
Afghanistan Reconstruction Trust Fund (TF050576)
Fifth Amendment to Letter Agreement

We refer to the Letter Agreement dated December 10, 2008, between the French Republic ("French Republic"), on the one part, and the International Bank for Reconstruction and Development, and the International Development Association (collectively "Bank"), on the other part ("Letter Agreement") as amended to date, pursuant to which the French Republic has made available to the Bank an aggregate sum of sixteen million Euros (€16,000,000), as a grant for the purpose of contributing to the Afghanistan Reconstruction Trust Fund ("Trust Fund").

We acknowledge the intention of the French Republic to increase its contribution to the Trust Fund by an additional four million Euros (€4,000,000) (the "Additional Contribution"). After the Additional Contribution has been received by the Bank, the aggregate contribution to the Trust Fund will be twenty million Euros (€20,000,000).

Promptly following confirmation of this amendment to the Letter Agreement by you, the French Republic will deposit the Additional Contribution, i.e., four million Euros (€4,000,000) into a bank account designated by the Bank. Upon receipt of the funds, the Bank shall convert them into United States dollars.

All the terms and conditions of the Letter Agreement that have not been amended hereby shall remain unchanged and in full force and effect.
We propose that this amendment to the Letter Agreement shall, upon confirmation in the manner indicated below, constitute an agreement between the French Republic and the Bank. This amendment to the Letter Agreement shall become effective upon signature by both parties hereto. It is the Bank's policy to make publicly available the Letter Agreement and any information related thereto, including this amendment. By confirming below, the French Republic consents to disclosure of this amendment letter after it has become effective.

Sincerely yours,

Robert J. Saum
Country Director, Afghanistan
South Asia Region
