SCHEDULE 1

Project Description

The objective of the Project is to improve road access for rural communities in Kaduna State and to improve management of Kaduna State’s road network in a sustainable manner.

The Project consists of the following parts:

**Part A: Upgrading, Rehabilitation and Maintenance of Transport Infrastructure**

1. Rehabilitation, upgrading, and maintenance of about 430 km of selected rural roads across the Project Area.

2. Construction and rehabilitation of about 130 river crossing structures across the Project Area.

**Part B: Institutional Strengthening, Policy Formulation and Capacity Building**

1. Enhancing the expertise of staff of the Recipient responsible for carrying out the Recipient’s Parts of the Project through provision of adequate training, locally or abroad, in relevant fields including *inter alia* financial management, engineering and procurement.

2. Enhancing the expertise of PIE’s staff responsible for carrying out the PIE’s Parts of the Project through provision of adequate training, locally or abroad, in relevant fields including *inter alia* financial management, engineering and procurement.

3. Carrying out of: (a) roads management studies including *inter alia* developing a road inventory and condition database, formulation of roads management and financing options, and optimization of the use of resources allocated for the roads sector; (b) a study aimed at enhancing efficiency in the performance of KAPWA’s operations; and (c) feasibility and detailed engineering studies for a follow on project.

4. Development of a road information system as a tool to promote efficient and cost-effective management of road assets at the federal level, the state level and the local government level.

5. Formulation of policy for institutional reforms including: (a) preparation of an adequate plan to sustain an efficient implementation of the RTTP; (b) execution of a road classification study for Kaduna State; (c) carrying out of activities aimed at fostering road safety across the Project Area; and (d) carrying out of: (i) a poverty baseline survey; and (ii) a gender empowerment study, all to be
updated periodically to assess performance and to monitor progress achieved through the Project implementation.

6. Strengthening the Recipient’s operational and managerial capacity within the relevant institutions responsible for managing and maintaining roads at the federal level through acquisition of technical advisory services and required logistical support.

7. Strengthening the PIE’s operational and managerial capacity within the relevant institutions responsible for managing and maintaining roads at the state level through acquisition of technical advisory services and required logistical support.

SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall: (a) carry out its Respective Parts of the Project through FPMU in accordance with the Project Implementation Manual; (b) maintain FPMU within FMAWR at all times during the Project implementation period with functions and responsibilities acceptable to the Association. FPMU shall be headed by a national coordinator who shall report to the Permanent Secretary of FMAWR. The Recipient shall ensure that FPMU is adequately staffed at all times during the Project implementation period with staff having qualifications and experience satisfactory to the Association.

2. FPMU shall be responsible for managing and coordinating activities pertaining to the Recipient’s Parts of the Project. To this end, the Recipient shall ensure that FPMU shall: (a) maintain at all times during Project implementation period effective financial management and procurement systems including qualified staff; (b) carry out overall technical management and oversight of the Recipient’s Parts of the Project; and (c) prepare activity budgets, monthly accounts reconciliation statement, quarterly withdrawal applications, quarterly financial reports, and annual financial statements. All of these obligations shall be carried out in form and substance satisfactory to the Association.

B. Subsidiary Agreement

1. To facilitate the carrying out of the PIE’s Parts of the Project, the Recipient shall make the proceeds of the Financing allocated to Categories (1), (2) (b), (3) (b), (4) (b) and (5) (b) available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.
D. Safeguards

The Recipient shall carry out the Project in accordance with the Environmental and Social Management Framework and the Resettlement Policy Framework.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following: (i) increase in number of trips per day per selected road link; (ii) increase in the proportion of rural population in the Project Area, with access to an all weather road within a radius of 2 km from any point along the road; (iii) increase in the amount of agricultural produce transported across improved river crossing structures; (iv) adoption and use of a 3-year rolling plan for efficient budget preparation for the road sector; and (v) adoption and use of a road management system.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than 45 days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
Section III. Procurement

A. General

1. **Goods and Works.** All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
