The second item, and the one with which we will conclude today, if we can do so, this was postponed from the January 17 meeting. It was a loan in the amount of $6.5 million U.S. equivalent to the Republic of Argentina for a Tax Administration Technical Assistance Project.

Now being presented under Special Procedure, unless there are questions, we will record your approval and pass on to the next item.

Are there questions?

(No response.)

MR. CONABLE: I see none. And that being the case, the minutes will show the loan is approved on the terms proposed.
