SCHEDULE 1

Project Description

The objectives of the Project are to assist the Recipient in improving its institutional and infrastructure environment for profitable and sustainable crop and livestock production as well as in reducing instability of food prices and developing broad-based agricultural productivity for food supply and security.

The Project consists of the Original Project and the following additional parts:

Part 4: Improvement of Food Security

Reducing instability of domestic grain prices, including improving the management of grain reserves as well as supporting agricultural productivity, through:

(a) provision of technical assistance and training, including carrying out infrastructure development, to improve the management of national grain reserves;

(b) strengthening support to grain storage facilities on farms owned and operated by organizations of farmers;

(c) provision of agricultural training, fertilizer and seeds to farmers, including, *inter alia*, wheat seeds, maize, oilseeds, vegetables and fodder crops as well as barley and oats, but excluding non-food crops; and

(d) developing and enhancing agricultural extension services to farmers for improved grain and food production as well as for improved seed and fertilizer distribution, including improving farmers’ access to agricultural information and technologies as well as their access to meteorological information, marketing information and risk management approaches in dealing with natural disasters.

Part 5: Strengthening Project Management

Strengthening Project management activities, including strengthening the support to APIU in areas of implementation, monitoring and evaluation of the Project as well as in the coordination of Project management activities with key stakeholders, partners and community participants.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient, through APIU, shall implement Parts 4(a), 4(d) and 5 of the Project and cause Parts 4(b) and 4(c) of the Project to be implemented by the Project Implementing Entity in accordance with the provisions of the Project Operational Manual. Except as the Association shall otherwise agree, the Recipient or APIU, as well as the Project Implementing Entity, shall not amend or waive any provision of the Project Operational Manual, if, in the opinion of the Association, such amendment or waiver may materially or adversely affect the carrying out of the Project or the achievement of the Project objectives.

2. The Recipient shall at all times ensure that the Project Implementing Entity has adequate functions, staffing and resources satisfactory to the Association.

3. The Recipient, through APIU, shall implement its Respective Parts of the Project in cooperation with various stakeholders, including community participants.

4. The Recipient shall cause the Project Implementing Entity to carry out its Respective Parts of the Project in cooperation with various stakeholders, including community participants.

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project Implementing Entity’s Respective Parts of the Project, the Recipient shall make part of the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.
D. Safeguards

The Recipient, through APIU, shall: (i) carry out Parts 4(a), 4(d) and 5 of the Project and cause Parts 4(b) and 4(c) of the Project to be carried out by the Project Implementing Entity in accordance with the provisions of the Environmental Management Plan, the Environmental Assessment and the Pest Management Framework; (ii) take all actions, including ensuring that the Project Implementing Entity takes all actions relating to the carrying out of its respective Parts of the Project, as well as ensuring the provision of funds, facilities, services, and other resources, necessary or appropriate for the carrying out of the Project; and (iii) not take or permit to be taken any action which would prevent or interfere with the carrying out of the Project.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Financing was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

4. The Recipient will have the internal control framework, the operational processes and procedures followed under its Respective Parts of the Project, audited for the fiscal years 2009 and 2011 (or other period agreed to by the Association), in accordance with terms of reference and by independent auditors both acceptable to the Association.
Section III. Procurement

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.
