Re: IDA Credit No. 6589-MN  
(Ulaanbaatar Heating Sector Improvement Project)  
Additional Instructions: Disbursement and Financial Information Letter (DFIL)

I refer to the Financing Agreement ("Agreement") between Mongolia ("Recipient") and the International Development Association ("Association") for the above-referenced project, dated April 27, 2020. The General Conditions, as defined in the Financing Agreement, provide that the Association may issue additional instructions regarding the withdrawal of the proceeds of IDA Credit 6589-MN ("Financing"), and specify certain financial management reporting and audit requirements. This letter ("Disbursement and Financial Information Letter" or "DFIL"), as revised from time to time, constitutes such additional instructions.

I. Disbursement Arrangements, Withdrawal and Reporting of Financing Proceeds.

The Disbursement Guidelines for Investment Project Financing dated February 2017, ("Disbursement Guidelines") are available in the Association’s public website at https://www.worldbank.org and its secure website “Client Connection” at https://clientconnection.worldbank.org. The Disbursement Guidelines are an integral part of the DFIL, and the manner in which the provisions in the guidelines apply to the Credit is specified below.

(i) Disbursement Arrangements:

• **General Provisions** (Schedule 1). The table in Schedule 1 sets out the disbursement methods which may be used by the Recipient and conditions, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

(ii) **Electronic Delivery.** Section 10.01 (c) of the General Conditions:

The Recipient will deliver Withdrawal Applications (with supporting documents) electronically through the Association’s web-based portal “Client Connection” at https://clientconnection.worldbank.org. This option will be effected after the officials designated in writing by the Recipient who are authorized to sign and deliver Withdrawal Applications have registered as users of “Client Connection”. The designated officials will deliver Applications electronically by completing the Form 2380, which is accessible through “Client Connection”. By signing the Authorized Signatory Letter, the Recipient confirms that it is
authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the Association by electronic means. The Recipient may exercise the option of preparing and delivering Withdrawal Applications in paper form on exceptional cases (including those where the Recipient encounters legal limitations), and which were previously agreed with the Association. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Recipient confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Association's public website at https://www.worldbank.org and “Client Connection”; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits.

(i) Financial Reports. The Recipient must prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports (“IFR”) for the Project covering the quarter.

(ii) Audits. Each audit of the Financial Statements must cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period must be furnished to the Association not later than six (6) months after the end of such period.

III. Other Important Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Association’s website (http://www.worldbank.org/) and “Client Connection”. The Association recommends that you register as a user of “Client Connection”. From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Credit, and retrieve related policy, financial, and procurement information. For more information about the website and registration arrangements, or if you have any queries in relation to the above, please contact the Association by email at AskLoans@WorldBank.org using the above reference.

Yours sincerely,

### Additional Information

The Designated Account for this project will be jointly maintained and managed by MOF and MOE at the commercial bank or financial institution acceptable by the Association for eligible expenditures. In case the DA is moved into the Treasury Single Account System within the Government Financial Management Information System (GFMIS), the Recipient shall inform the Association of such a change and the DA arrangement will be revised accordingly.
A subaccount in Mongolian tugriks will be opened with the Treasury for all transactions in Mongolian tugriks, including PIU operating and non-operating expenses in accordance with the Government’s financial regulations. The MOF ultimately will be responsible for managing the subaccounts. Specific project payment approval procedures will be documented in the FMM. The ceiling will not be established for the subaccount but it will be within the ceiling set for the DA according to project’s needs.
