SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional and Implementation Arrangements

1. The Recipient shall maintain the ICC until completion of the Project with the composition and terms of reference satisfactory to the Association.

2. The Recipient shall maintain the PCU until completion of the Project with staff, resources and terms of reference satisfactory to the Association.

3. The Recipient shall carry out the Project in accordance with this Agreement and the Project Operational Manual and shall not amend, suspend, abrogate, repeal or waive any provision of said Manual without the prior written approval of the Association.

4. The Recipient shall streamline procedures for connecting individual households to sewerage systems in Bukhara and Samarkand, including provision of medium-term financing if necessary.

5. (a) The Recipient shall take all necessary measures, including annual adjustments of water supply and sewerage tariffs, in order to maintain for the BVK and SVK for each of their fiscal years after the fiscal year ending on December 31, 2009, a ratio of total cash operating expenses to total cash operating revenues not higher than 0.90 and to enable the BVK and SVK to collect effectively all operating revenues related to their respective operations, including (i) budgeting and paying for water supply and sewerage services that benefit their respective oblast budget organizations; and (ii) effectively support the disconnection of non-paying consumers.

(b) For the purposes of this paragraph:

(i) The term "total cash operating expenses" means all expenses related to operations, including administration, adequate maintenance, taxes and payments in lieu of taxes, but excluding interest and other charges on debt.

(ii) The term "total cash operating revenues" means revenues from all sources related to operations.

6. (a) Except as the Association shall otherwise agree, the Recipient shall take all measures necessary to ensure that the BVK and SVK shall not incur any debt unless a reasonable forecast of their respective revenues and expenditures shows
that the estimated net revenues of the BVK and SVK for each fiscal year during the term of the debt to be incurred shall be at least 1.2 time their estimated debt service requirements in such year on all debt of the BVK and SVK, including the debt to be incurred.

(b) For the purposes of this paragraph:

(i) The term "debt" means any indebtedness of the BVK or SVK maturing by its terms more than one year after the date on which it is originally incurred.

(ii) Debt shall be deemed to be incurred: (A) under a loan contract or agreement or other instrument providing for such debt or for the modification of its terms of payment on the date of such contract, agreement or instrument; and (B) under a guarantee agreement, on the date the agreement providing for such guarantee has been entered into.

(iii) The term "net revenues" means the difference between:

(A) the sum of revenues from all sources related to operations and net non-operating income; and

(B) the sum of all expenses related to operations including administration, adequate maintenance, taxes and payments in lieu of taxes, but excluding provision for depreciation, other non-cash operating charges and interest and other charges on debt.

(iv) The term "net non-operating income" means the difference between:

(A) revenues from all sources other than those related to operations; and

(B) expenses, including taxes and payments in lieu of taxes, incurred in the generation of revenues in (A) above.

(v) The term "debt service requirements" means the aggregate amount of repayments (including sinking fund payments, if any) of, and other charges on, debt.

(vi) The term "reasonable forecast" means a forecast prepared by the BVK and SVK not earlier than twelve (12) months prior to the incurrence of the debt in question, which both the Association and the BVK or SVK, respectively, accept as reasonable and as
to which the Association has notified the BVK or SVK of its acceptability, provided that no event has occurred since such notification which has, or may reasonably be expected in the future to have, a material adverse effect on the financial condition or future operating results of the BVK or SVK.

(vii) Whenever for the purposes of this paragraph it shall be necessary to value, in terms of the currency of the Recipient, debt payable in another currency, such valuation shall be made on the basis of the prevailing lawful rate of exchange at which such other currency is, at the time of such valuation, obtainable for the purposes of servicing such debt, or, in the absence of such rate, on the basis of a rate of exchange acceptable to the Association.

B. Subsidiary Credit Agreements

1. To facilitate the carrying out of the BVK’s Respective Part of the Project and the SVK’s Respective Part of the Project the Recipient shall make part of the proceeds of the Financing available to the BVK and SVK under the BVK Subsidiary Credit Agreement and the SVK Subsidiary Credit Agreement, respectively. These Subsidiary Credit Agreements shall be executed under the terms and conditions approved by the Association, which shall include, inter alia, the following:

(a) the principal amount of the subsidiary financing shall be denominated in SDR and shall be repaid by the BVK and SVK to the Recipient in semi-annual installments over thirty five (35) years, including a grace period of ten (10) years;

(b) a commitment charge shall be paid on the unwithdrawn amount of the subsidiary financing at a rate equal to the rate payable by the Recipient from time to time pursuant to Section 2.03 of this Agreement; and

(c) a service charge shall be paid on the withdrawn amount of the subsidiary financing at a rate equal to the rate payable by the Recipient from time to time pursuant to Section 2.04 of this Agreement.

2. The Recipient shall exercise its rights under the Subsidiary Credit Agreements in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Credit Agreements or any provisions thereof.
C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

1. The Recipient shall cause the BVK and SVK to carry out their Respective Parts of the Project in accordance with the BVK Environmental Management Plan and SVK Environmental Management Plan, respectively, and with the Resettlement Policy Framework, and shall not amend, suspend, abrogate, repeal or waive any provision of said Plans or Framework without the prior written approval of the Association.

2. For purposes of Part A of the Project and prior to the commencement of works for each proposed site, the Recipient shall cause the BVK and SVK to: (a) submit to the Association for its approval: (i) the proposed design and site for said works and, where required by the respective EMP and/or RPF, the related site-specific environmental management plan, land acquisition and/or resettlement plan and environmental management checklist, said site-specific plans and checklist to be in form and substance satisfactory to the Association; and (ii) the proposed contract for said works to ensure that the provisions of said site-specific plans and checklist are adequately included in said contract; and (b) ensure that such works are carried out in accordance with the respective EMP and the Resettlement Policy Framework.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six (6) months prior to the Closing Date.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient, through the PCU, shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

2. The Closing Date is December 31, 2015.
ANNEX
to
SCHEDULE 2

National competitive bidding procedures of the Recipient may be used for procurement under the Project provided that the following provisions are complied with:

1. **General**

   The Recipient represents that the procedures to be followed for national competitive bidding under Section III, Part B, paragraph 2, of Schedule 2 to the Financing Agreement shall be those set forth in Council of Ministers Resolution No. 456 on Measures to Improve the Organization of Tenders for Purchases of Raw Materials, Spare Parts and Equipment, that became effective on November 21, 2000, with the clarifications set forth in the following paragraphs required for compliance with the provisions of the Procurement Guidelines.

2. **Registration**

   (a) Bidding shall not be restricted to pre-registered firms.

   (b) Where registration is required, bidders (i) shall be allowed a reasonable time to complete the registration process and (ii) shall not be denied registration for reasons unrelated to their capability and resources to successfully perform the contract, which shall be verified through post-qualification.

   (c) Foreign bidders shall not be precluded from bidding. If a registration process is required, a foreign bidder shall be given a reasonable opportunity to register.

3. **Advertising**

   Invitations to bid shall be advertised in at least one widely circulated national daily newspaper allowing a minimum of 30 days for the preparation and submission of bids.

4. **Pre-qualification**

   When pre-qualification shall be required for large or complex works, invitations to pre-qualify for bidding shall be advertised in at least one widely circulated national daily newspaper a minimum of 30 days prior to the deadline for the submission of pre-qualification applications. Minimum experience, technical and financial requirements shall be explicitly stated in the pre-qualification documents.
5. **Participation by Government-owned enterprises**

Government-owned enterprises in the Republic of Uzbekistan shall be eligible to participate in bidding only if they can establish that they are legally and financially autonomous, operate under commercial law and are not a dependent agency of the contracting authority. Furthermore, they will be subject to the same bid performance security requirements as other bidders.

6. **Bidding Documents**

Purchasers shall use the appropriate standard bidding documents for the procurement of goods, works or services, acceptable to the Association.

7. **Bid Opening and Bid Evaluation**

   (a) Bids shall be opened in public, immediately after the deadline for submission of bids.

   (b) Evaluation of bids shall be made in strict adherence to the monetarily quantifiable criteria declared in the bidding documents.

   (c) Contracts shall be awarded to the qualified bidder having submitted the lowest evaluated substantially responsive bid and no negotiation shall take place.

   (d) Price verification should not be applied to Bank-financed contracts.

8. **Price Adjustment**

Civil works contracts of long duration (e.g. more than eighteen (18) months) shall contain an appropriate price adjustment clause.

9. **Rejection of Bids**

   (a) All bids shall not be rejected and new bids solicited without the Association’s prior concurrence.

   (b) When the number of bids received is less than three, re-bidding shall not be carried out without the Association’s prior concurrence.
**SCHEDULE 3**

**Repayment Schedule**
